Hello Chargers!

We hope you are doing well! Finish strong with this final week of e-learning!

We wanted to take this time to share about our 'Drop-Off/Pick-Up' Curbside drive thru that will be coming up on Thursday, May 28th and Friday, May 29th at Fishers Junior High. The 'Drop-Off/Pick-Up' will take place on the south side of the building at the Main Entrance pavilion (Doors 1 and 2). Towards the bottom of this letter are the set times by last name (alpha order) and grade level for each day. We need to collect school-owned materials in effort to prepare the items for next school year. For example, many rented iPads will be replaced with newer versions and all other rented iPads need to be cleared for next years' rental and app selection. Textbooks, classroom novels and books, and library books need to be collected and then sorted for next year.

During this curbside drive thru, our staff and volunteers will have masks and gloves on to assure everyone's safety and students/parents will remain in vehicles. Families will be dropping off the following items: rental iPads, all textbooks *Put student name in textbook inside cover*, classroom novels and books, library books, and school-owned instruments. As mentioned, this is a drive thru event, and we ask that no one leaves their cars during this time.

We will not be collecting any workbooks or consumable materials. In addition, we will not be returning items that are still in the building. All items that are inside the building, including lockers, will be returned when the *government's executive orders and essential business only on school grounds* is lifted. This will be after June 30, 2020. The business we are conducting on these two days are deemed essential to prepare for next school year. Students, you will get your items back later in the summer. We appreciate your patience.

Below are the dates and times according to grade level and last name:
