

# “Greek Mythology HW #3” ADV

Write the answers in your notebook, but DO NOT PUT THIS SHEET IN YOUR NOTEBOOK. I will NOT stamp this sheet.

If you score a 23 or higher on Mythology Quiz 3, then just tape that quiz in to your notebook instead of doing this homework. Use at least 4 pieces of clear tape.

Choose just one of the following options for your homework. Label which option you choose.

## OPTION ONE:

Answer any TEN of the following THIRTEEN questions using complete sentences.

1. Why would a gun REVOLVER be connected to the root “VOLV” (aside from having the same letters)?
2. From what Latin root do we get the word TELEPORT?
3. What three nice things does Helios do to show his love for Phaethon?
4. Describe how Phaethon’s journey ended?
5. How does Athena prevent Pandora’s box from being completely evil?
6. Why couldn’t Zeus take away fire once humans had it?
7. Describe the “sin” that Arachne *originally* commits against the gods?
8. What is a similarity between Io’s and Europa’s stories?
9. What is the best lesson Niobe should have learned that would have prevented her disaster?
10. What connection is there between Leto and Niobe? Why is this similar to Hera and Io?
11. Who was the first person Heracles is thought to have killed (it was an accident)?
12. Why did the gods punish Heracles and force him to do the twelve labors?
13. Describe the events that lead to Heracles’s death?

## OPTION TWO:

Using the letters **D-O-N’-T—A-N-G-E-R—G-O-D-S**, come up with THIRTEEN sentences either describing the stories or giving a fact about them. Each sentence must begin with one of the letters from the above phrase, and once a letter is taken in the phrase, it can’t be used again. There should be a total of THIRTEEN sentences.

Each phrase must have **no FEWER than 6 words**, and **NO MORE than 15 words**.

You may **ONLY** cover the stories of **HERACLES, ARACHNE, POOR WOMEN & PHAETHON**.

## OPTION THREE:

You will do ten Background Knowledge or Confused statements.

These may not be the same statements that you have done on a previous homework.

**Background Knowledge** statements are where you connect things going on in the short story to things you already know about in life. This is a way to give meaning to stuff you read in the poem.

**Confused** statements are when you write down things in the short story that confuse you or give you trouble. You can have any combination of these two statements for this option as long as your total is ten.

Label each statement as either a [BK] background or [C] confused statement.

You may **ONLY** cover the stories of **HERACLES, ARACHNE, POOR WOMEN & PHAETHON**.

## OPTION FOUR:

You may **ONLY** cover the stories of **HERACLES, ARACHNE, POOR WOMEN & PHAETHON**.

Create ten questions of your own about the mythology we have studied so far. Do not use any other stories.

You may not use questions from OPTION ONE, because these are different kinds of questions. **These are going to be “I Wonder” questions. You simply need to write down things you “wonder” about while reading or listening.** These need to be solid questions that connect to the reading and can not be easily answered. These questions need to demonstrate that you have thought about the stories. You do not need to write down answers to your questions, but they need to be good, solid questions.
