

"GREEK MYTHOLOGY HW #3"

Write the answers in your notebook, but DO NOT PUT THIS SHEET IN YOUR NOTEBOOK. I will NOT stamp this sheet.

If you score a 21 or higher on Mythology Quiz 3, then just tape that quiz in to your notebook instead of doing this homework. Use at least 4 pieces of clear tape.

Choose just one of the following options for your homework. Label which option you choose.

OPTION ONE:

Answer any TEN of the following THIRTEEN questions using complete sentences.

1. Why would a gun REVOLVER be connected to the root "VOLV" (aside from having the same letters)?
2. From what Latin root do we get the word TELEPORT?
3. Why can Helios NOT back out of his promise he makes to his son?
4. Describe how Phaethon's journey ended.
5. Why does Arachne challenge Athena?
6. Describe the "sin" that Arachne *originally* commits against the gods.
7. Why is Ixion's "crime" especially insulting to Zeus? Why does it make Zeus so mad?
8. How did the Mediterranean Sea get its name?
9. How does Athena prevent Pandora's box from being completely evil?
10. How did Heracles get his name?
11. Why did Heracles have to do the "twelve labors" inflicted on him?
12. Describe two of Heracles' toughest labors.
13. How does Heracles eventually die?

OPTION TWO:

Using the letters **T-W-E-L-V-E—L-A-B-O-R-S**, come up with **ELEVEN** sentences either describing the stories or giving a fact about them. Each sentence must begin with one of the letters from the above phrase, and once a letter is taken in the phrase, it can't be used again. There should be a total of ELEVEN sentences.

Each phrase must have **no FEWER than 6 words**, and **NO MORE than 15 words**.

You may **ONLY** cover the stories of **ARACHNE, PHAETHON, and HERACLES**.

OPTION THREE:

You will do ten Background Knowledge or Confused statements.

You may **ONLY** cover the stories of **ARACHNE, PHAETHON, and HERACLES**.

These may not be the same statements that you have done on a previous homework.

Background Knowledge statements are where you connect things going on in the short story to things you already know about in life. This is a way to give meaning to stuff you read in the poem.

Confused statements are when you write down things in the short story that confuse you or give you trouble. You can have any combination of these two statements for this option as long as your total is ten.

Label each statement as either a [BK] background or [C] confused statement.

OPTION FOUR:

You may **ONLY** cover the stories of **ARACHNE, PHAETHON, and HERACLES**.

Create ten questions of your own about the mythology we have studied so far. Do not use any other stories.

You may not use questions from OPTION ONE, because these are different kinds of questions. These are going to be "I Wonder" questions. You simply need to write down things you "wonder" about while reading or listening. You do not need to write down answers to your questions, but they need to be good, solid questions.
