

"PRINCESS BRIDE #2" (CHAPTER 5)

Write the answers in your notebook, but **DO NOT PUT THIS SHEET IN YOUR NOTEBOOK.**
I will **NOT** stamp this sheet.

If you score a 23 or higher on the Princess Bride Quiz #2, then just tape that quiz in to your notebook instead of doing this homework. Use at least 4 pieces of clear tape.

Choose just one of the following options and label which option you choose.

OPTION ONE:

Answer the following questions using complete sentences.

1. Why is Inigo Montoya searching for a certain person, and who is that person?
2. How does the man in black get past Fezzik on the Cliffs of Insanity?
3. How is the Sicilian beaten?
4. How does Buttercup discover that the man in black is Westley?
5. Why is the reunion scene controversial, according to Goldman?
6. Why is the Fire Swamp considered dangerous?
7. Who has to go through the Fire Swamp and why?
8. Describe the R.O.U.Ss?
9. What happens when Buttercup and Westley come out of the Fire Swamp?
10. How do Buttercup and Westley end up separated again?

OPTION TWO:

You may **ONLY** cover chapter 5 of the PRINCESS BRIDE.

Using the words **M-A-N-I-N-B-L-A-C-K** come up with ten sentences either describing the story or giving a fact about the story. Each sentence must begin with one of the letters from the above phrase, and once a letter is taken in the phrase, it can't be used again. There should be a total of ten sentences.

Each phrase must have no **FEWER** than 6 words, and **NO MORE** than 15 words.

OPTION THREE:

You may **ONLY** cover chapter 5 of the PRINCESS BRIDE.

Create ten questions of your own about the story. You may not use questions from **OPTION ONE**, because these are different kinds of questions. These are going to be "Wonder" questions. You simply need to write down things you "wonder" about while reading. You do not need to write down answers to your questions, but they need to be good, solid questions.

Examples: I wonder why if Goldman's life is so bad, he doesn't do something to change it?
I wonder why we had to read the long, boring intro section?
I wonder why Prince Humperdinck is so mean when his life seems pretty good?

OPTION FOUR:

You may **ONLY** cover chapter 5 of the PRINCESS BRIDE.

You will do ten Background Knowledge or Confused statements. **Background Knowledge** statements are where you connect things going on in the book to things you already know about in life. This is a way to give meaning to stuff you read in the story. **Confused** statements are when you write down things in the book that confuse you or give you trouble. You can have any combination of these two statements for this option as long as your total is ten.

List both the page # and paragraph # of where the statement occurs so that you can find it later.
