Parts of the Plot:

21. According to Mark, what happened to his real parents when he was nine?
22. After Bryon gets beat up for something Mark did, he says not to get revenge for him. He implies he has no hatred for his attackers. What other character earlier in the book had a similar thing happen, and also said he didn't hate who hurt him?

24. Why do Tim and Curly want to get revenge on Bryon so badly?
25. At the end of chapter 2 (p 42), Mark says he will *never* forgive anyone who hurts him. These clues in the story that tell us what will happen later are an example of what?
26. Why does Bryon suddenly decide to give up hustling pool?
27. How does Mark feel about Bryon’s decision to not get revenge on the Shepards?
28. What does Bryon find under Mark’s bed after taking M&M to the hospital?
